“ *Dr. Williams was my dentist for several decades.*

*We shared similar senses of humor, which made our encounters a little more pleasant than otherwise would be expected. Of course, he had the advantage of being able to do most of the talking.*

*He was a good and talented man. I always knew I was in good hands. I will miss him greatly.*

“ *Until his retirement, Dr. Williams was the only dentist I ever went to since I had teeth! He always had a nice thing to say to me and was so gentle and patient. My Mom and Dad were also his patients and they also loved him. I will miss him very much. I offer my sincerest condolences to his family and friends.*

Judy and family, sadly we have just learned of Joe's death. Our  
friendship began as students at Dental School, Univ. of MD. We shared  
many memories, and above all a love of our profession and the U.S.  
Navy. His memory will remain in our hearts forever.
