“ *Sister Judith was my favorite teacher and a true mentor for me at Archbishop Keough. She taught me many things including Calculus. She helped me through some very challenging times in my senior year. I knew I could always count on her for advice or just to talk when I needed her. My condolences to everyone in her family and the entire SSND community. My thoughts and prayers for you! I'm sure Sister Judith is now resting in eternal peace. Betty Gick Vandeputte Class of 74*

“ Dear Schaum Family,
Sister Judith was my Math teacher at Archbishop Keough High School for my sophomore and senior years. In part, she was the reason I became a teacher. She was kind, straight forward, and cared for all of us in class. For me, she was a mentor, the kind of teacher who took time to talk individually and show interest and concern when needed. When attending the Catholic Schools convention, I always ran into Sr. Judith, and after several years out of high school, she still remembered my name and was genuinely interested in how I was.
She was a beautiful, spiritual, woman who many young women, including me, looked up to. My sincere condolences to the whole Schaum Family and the SSND family. My prayers are that fond memories bring peace to you as it has to me. May God Bless you.
Sincerely,
Rosalia Geppi Liberto, Class of 1970
