“ I had the pleasure of meeting Ms. Julie Brown, affectionately called Grandma Julie when she spent time with Sierra, her granddaughter many years ago. It was so good to see them spending time together. Last year, Sierra and I visited Grandma Julie and many wonderful hours together looking at pictures, reminiscing, laughing and enjoying each other’s company. Here we are in 2026 saying rest well Grandma Julie. You are loved, will be missed and always remembered. Aunt Vivian Mayo

“ Julie was the most kind hearted person you could ever want to meet. We were like family and we loved her very much. To be absent from the body is to be present with the LORD. We love and will miss you Julie.

“ I’m going to miss my grandma so much I remember when I was little I used to go over her house sometimes to spend the night and my mom would come over there with us so would be me and my grandma and my brother Jacob and my mom and we used to go out to eat go shopping to the movies to the park and to the pool and sometimes we would go visit my other brother then one day my grandma got sick and had to go to the hospital after she got out the hospital she had to go to rehab and then to a nursing home so my grandma couldn’t live in her house no more and she couldn’t drive no more but I used to go visit her when she was at the nursing home sometimes I used to spend nights there and some day I would just go visit and spend the day with her and even have lunch with her I’m going to miss spending time with my grandma and having lunch with her
