“ I was so fortunate to work with Karen at Bon Secours Hospital. She was so devoted to her work in Pastoral Care. Mostly every morning she would arrive in SDS to pray with patients from all walks of life and comfort them before surgery. She also prayed with her co-workers if they needed prayers for personal reasons. Karen had a light side to her and loved to travel as when we went to Paris with the Bon Secours Associates. She had a quick step and a beautiful smile. With her strong faith in the Lord along with her family and friends Karen fought her illness intelligently and bravely. It was a joy to know Karen. She will be greatly missed.
