“ *My Grandma was more than a grandmother to me. She was a best friend, a play mate, a teacher, and above all she was, and remains an inspiration. I love my Grandma with my whole entire heart, and though it is so hard to let go, I know that there is a pocket in my heart in which she will always remain, a jingle in my ears because her songs will never die, and a new strive to be the best person I can be in order to make her proud.*
