“ I'm sure no one will see this at such a late date but I wanted to add a note. Kathleen was my kindergarten teacher at Medfield Heights Elementary School in Baltimore City in 1965/1966. She was my first love 😊. I eve had My sister write a letter to her inviting her to Ocean City on our family vacation. Can you believe a 6 year old's silly mind.

I was just going through old photos and school things my recent passed Mom kept and found my final Repot Card from Mrs Mahoney which led me here. I'm so sorry for the family's loss.

What a special lady, how Lucky was I to have such a wonderful teacher to start my education!!

May God bless her and the family. I am sure she is missed as much as I miss my Mom!

“ *Erin, Mike, Kevin and Ryan- I'm so sorry to hear about your mothers passing. I always think of her as "Aunt Kathie" and when I picture her in my mind, I think of her smile that stretched all the way to her eyes. She was kind, funny, and always happy. I'm hoping to see you at some point next weekend to give you hugs in person, but please know I'm thinking of you. Much love, Laura Lawlor*
