“ My dearest Kitty- There are not enough words to share all of our tremendous memories together. You started as my boss, you grew to be the biggest mentor in my life, you were like a grandmother to me. We had that unbreakable bond. You were one of my best friends Kitty. You taught me so much. You helped me so much. You were a "true friend" to me. I could never repay you my dear friend for everything over the past 22 years and I love you so much. I can't Thank You enough for everything. I will never meet another person like you in my life and I'm so heartbroken that you passed. We shared our secret conversations and had our own inside jokes and I hold your pearls of wisdom quotes dear to my heart. I love you Kitty!! I hope that you are having one heck of a party right now reuniting with Mr. Gerling, Susanne, Mr. Baney, Bunny, Your parents and all your friends up there. LOL- I'm starting to wonder if all this bad weather that we are having right now is you up there raising heck. I love you sweetie. You will live forever in my heart. This isn't goodbye. I'm just saying Farewell until we meet again. Rest in Peace Sweet Angel. I Love you and I miss you a lot.
Michelle!

Mrs. Gerling - you will be forever missed - you were one of a kind - the kindest lady I knew, who my husband and I had the privilege of getting to know/become friends with --- lovely memories. But I owe you a very special thank you. You made my job being Michelle's mom SO MUCH EASIER. Your guidance and advice to her through the years helped her become the woman/mother she is today. Rest in peace.

“ I first met Kitty approximately 20 years ago as a customer of mine. Fast forward to about 2007, and as fate would have it, we became reacquainted once again. Over these past 10 years we connected on a regular basis and I quickly found her to be a kind and generous person. Determined, intelligent and humorous are all adjectives that I would also use to describe her being. She will surely be missed; as she was truly a wonderful person. Rest In Peace "Kitty". Neal Blum
