“*Kate, I and others, worked together as a procurement team for the State of Maryland. What a pleasure she was to work with! Knowledgeable, poised, well-dressed and well-groomed always! And she was forever there to lend a helping hand, and be a friend to anyone, when one was sorely needed! She was quite a beautiful lady; exceeded only by her internal beauty - and a very giving heart. Always the consummate professional, she took great pride in her work, and the satisfaction of bringing any task to a well-done conclusion! She always seemed to give a lot more in this life than she received, but I doubt she would have had it any other way! I don't know of anyone who had any relationship with her at all, who would not come away singing her praises, and be the better for it! I am truly grateful for having known you - and I will miss you, dear friend!!*
