“ *Loved Sister Kenneth. She was so special to me. Although I hadn't seen her in a while, losing her hurts as if we were together yesterday!!! She was such a kind and loving spirit and you felt her energy whenever she was around. She was such a blessing and will always be one of my favorite teachers. Missing you and praying for all who are saddened by this loss.*

“ *My condolences to all who loved this pure example of love and joy. I do remember her from elementary school. I remember her infectious laughter and spirit of fun that always seemed to surround her. I feel truly blessed to have been at OLPH when she was assigned there.*
