“ I'm so saddened to hear about Kira's passing. I have so many great memories when we used to work at Lonestar together. We would end our shifts and go to bennigans and talk for hours. She was such an amazing person.

“ Kira was my cousin, but she was also one of those rare people who made the world lighter just by being in it. Her humor came so naturally (even when she didn't know it) and could pull a smile out of anyone, even on the hardest days. She was endlessly kind in the quiet, genuine way that truly matters, and you always knew you could trust her with anything.

I'm grateful to have had her in my life, and I'll carry her laughter, her warmth, and her honesty with me.

“ *My dear sweet Kik! You made me a better person!!! Your kindness, compassion and loyalty will truly be missed!!! I hold on tightly to the memories we shared. Know, you were my lil sister above all else!!! I never knew what it meant to have a sibling until I was welcomed into the family. My heart breaks knowing that we won't be able to FaceTime or chat. Your sweet fur-nephew will miss your kisses and lovin' as well. Love you Keekers!!!*

“ My dear sister, you will be missed so very much. Kira was the kindest and most family-oriented person I know. No matter when I called or what was going on she always answered, “Hey Sis!”. She was also the funniest even if she wasn’t trying to be and those who know truly know Kira. You were my confidant, bug killer, one we relied on, first person I texted if something ridiculous happened, dear friend to my wife and most importantly my sister. It is now on our watch to carry your legacy of how people should be cared for and ensure your memory lives in our hearts in everything we do.

We love and miss you forever sis

“ We knew Kira since she was 2 years old. It is hard to comprehend the loss of life at such young age, especially for one we knew for so long. Always cheerful and full of life. Exceptional person, loving daughter and granddaughter. No words to express our sorrow. Our deepest condolences to Bill, Sheril, Carroll and all family. She will be greatly missed and always will be in our hearts. Ben, Irene.
