“ *So many happy memories raising our children, beach vacations, Baltimore blizzards, birthday, anniversary, and holiday celebrations, going to the Lyric when I got free tickets somehow. Wonderful memories of Lauren's beautiful smile, graceful, creative, and intelligent spirit along with her beautiful life will help comfort those of us who remain to continue family gatherings to reminisce and make more beautiful memories for all. Peace be to Lauren and all our family and friends.*

“ *My mom was sick for a long time, but her passing was quick and peaceful, and I'll always be thankful for that. I will remember her as the most loving, devoted mother I possibly could have asked for. I miss her but am so glad she's at peace.* ”

“ *Rest in Peace, Lauren. I will always remember the excitement in your voice when we first talked about our shared grandson, Johnny. As he grows, I will always remind him that he has another grandmother in Heaven who loves him very much.* ”
