“ It has been many years since I saw "Mr. Porter", as we referred to him at Scout Troop 423 which met at Ascension Lutheran. He was one of the great adult leaders and someone who I and a number of other scouts liked being around.

I entered scouting in 1965, and received my Eagle Award in 1972. I believe he was there during the award ceremony. He and my father shared a number of common attributes: both graduates of Johns Hopkins School Of Engineering in Civil Engineering, both loved flying, and both very passionate about Scouting and what it meant to young men.

I am sorry now that I have not seen him so many years. But , he will be missed in my mind and heart.
