“ *Our families were connected through our lifetimes--my mother and Bunny's Dad were first cousins, and always close. I have many memories of not only Bunny and her sisters, but also her parents and grandparents too. Happy, friendly, loving folks all. I will miss Bunny as I do the others who have gone before her. I'm sad for all of her remaining family but glad that she is now at peace.*

“ Charles, Marlo, and Beth,
Your Mom, "Bunny," was a wonderful lady. She opened up her home to all of us -your friends- with warmth and genuine joy. She welcomed us with great big smiles and hugs. She touched so many lives and taught us the meaning of family. When we were young, there were times it seemed like she added a kind of magic to your home. She's in heaven now, dancing with your Dad while Elvis serenades them.

“ Dear Marlo, Jon and family,
Words alone will not tell you how much the loss of your mother means. There will be so many things you will remember. The little things that creep into your memories over time. Always remember the good times and how much she loved you.
I'm so glad we got to know your mom and how she always made us welcome in her home. Bunny will be greatly missed.
Our thoughts are with you at this most difficult time.
With much love.
