“ Thank you for allowing us to be a part of your family and share in the adventures of your dad. Many memories of crab soup, banana bread and Golabki , crossword puzzles and ordering from those little catalogs will always bring memories to me about your dad. Oh and the green Liverwurst story, how could I forget that one. He was truly a gift to you girls and in return you were such a blessing to him. May God continue to bless and keep you both!!! I never had the pleasure of meeting your dad but I've had the pleasure of talking to him on the phone whenever I call for Alex! Never answered the phone and hung up but wanted to know a little bit about the person calling for his daughter and shared a little humor about himself in which I absolutely loved the most!! You both have done a magnificent job in caring for your dad who could ask for better daughters!! May all the love and support of others along with the god of comfort help you both through this. Terri, Tevin, Kerri and Kevin MCCoy. 🙏
