“ Kathy & Family,

I'm thinking of you and your family as you mourn the loss of your beloved father (husband, grandfather, great father, uncle, mentor).

“I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories.” —Leo Buscaglia

Kathy, I know your father was a wonderful man by the daughter he raised, and he lives on through you all.

Wishing for your peace and joy of his life as you celebrate and honor him today, and for your memories to provide much comfort and happiness in the days ahead.

“ Dear Cousin Barbara and family, Lou and you are forever family because of your special gift to me as my God parents. Lou was also a mentor, leading me into service with the Knights and the good times that we had with that extended family. Even though we had grown apart over the years I will think fondly of the early years growing up and the many family outings that were enjoyed. I know how difficult it has been however I am sure that Lou with that smile is watching over you all during this difficult time. Gina and I have been praying when we received the news of Lou being taken to the hospital. I will keep you all in my thoughts in the coming days and trust that God has a better plan for us all to make it through these difficult times. Please accept my sincere condolences for Lou and hope that you all enjoy each others company to celebrate his life. Love to you all Jimmy and Gina Fischer and Family.
