“ Dear Mom, Thanksgiving is just around the corner. I am thankful for the many years of sharing the day with everyone. I find comfort knowing you are no longer suffering this Thanksgiving without Dad, Nana, and brother Bill. I know it was difficult, but you were a brave soul in nursing care. Love, Lois

“ Dear Mom, I feel at peace now knowing you and Dad are "Together Forever". Your graveside service was on September 19th, your best friend's birthday and so close to Dad's on the 21st. I had lovely Victorian luncheon in your memory. There are pictures of you both in your younger years hanging in the living room; as I had them done professionally which I know you would have adored. You almost made it to 96 years. I know longer have to worry when the phone rings from Harbor. You are now in the arms of our Lord and Savior. Love you, Mom

Dear Mom, Tomorrow will be one year since you were able to rest in peace. I'll be spending an afternoon lunch with a very dear friend. The following day, will be a day trip to Rehoboth Beach. I'll be remembering all the good times, as I trace my steps on The Avenue. I miss you and Dad, but know that you are in a better place. I'm so thankful for another year of life on Earth until we meet again. Love, Lois
