“ *Mumu was my dear friend, neighbor, surrogate mother, and adopted grandparent to my children. I am glad she is finally at rest and out of pain after suffering terribly, but our family will miss her glass half-full view of the world, her intelligence and her humor. My children had a wonderful place of refuge in her home. They knew they could go there and find a ready playmate and an open sugar bowl anytime they wanted. She was their Mumu and my support when my own mother was miles away. She will be missed.* ”
