“ Marge was special. She was a quiet, warm-hearted mother-in-law and loving grandmother. Her gentle ways drew family and friends, like a magnet. She was easy to be around - always graciously going with the flow. She was generous with her helping hand and showed incredible kindness in always listening to whatever you had to say with an interested and sympathetic ear. She experienced many trials in her life, especially in these last years when she endured so many health challenges. Yet she displayed great strength not only to able to repeatedly bounce back, but also to live her life in contentment, happy to enjoy simple pleasures and grateful for her blessings. Her welcoming smiles, tender love and support will be deeply missed.
