“ I just received an email from our high school sharing the sad news. My memories of her were always kind, loving and fun. Although I moved shortly after graduation and lost track of her, I know there is a big part of this world that will greatly miss her and her energy will continue to flow through this earth. May she rest in peace. ❤️

“ I went to a Halloween party at my Brother's house as Darth Vader. There was this attractive woman there in an elegant form fitting gown with gloves past the elbow. Turns out she was the Lady of the Lake. I immediately became fond of Maria. She was a good friend of my brother's. She was with me the night I found my brother had passed. For many years after she came to my friend's pool often weekly and would have a marvelous time. Maria will be missed and thought of by many including myself. RIP

“ Maria the dancer, Maria the singer, Maria the lover of cats and dogs. Always encouraging others to Dance and Sing with her. And I will forever hear her “Come get in the pool! The water is GLORIOUS!” Rest well Maria

“ Our parents were close friends, and Maria-Helena and I were only months apart in age, so many of my childhood memories include her. When I was around 10 years old, I began taking classical guitar lessons — most likely because Maria was taking them too. I remember being quietly jealous of how effortlessly and beautifully she played. I managed a few lessons and did reasonably well, but Maria was truly magnificent with the guitar. She played with such grace and feeling that it left a lasting impression on me. That is how I will always remember her.

*Du kannst ihn nicht sehen, aber er ist immer da, dein guter Engel.  
Du kannst ihn spüren, wenn du dich freust und singen möchtest, wenn du traurig bist und nicht mehr weiterweißt.  
Er bewahrt dich vor Mutlosigkeit  
Er richtet dich wieder auf.  
Er lässt dich nicht allein.  
Liebe Marliese, dieser Schutzengel ist für dich.  
In liebevollem Gedenken an Maria Helena. Wir wünschen dir viel Kraft und Trost. In herzlicher Verbundenheit, Käthe, Wilma und Marion mit Familien.*

“ *I met Maria Helena when she was 19, playing Ariel in The Tempest. I cannot imagine more perfect casting; she was as light as a feather and overflowing with the energy of a sprite.*

*I loved her from that day until this.*

*May Maria's memory be a blessing.*
