“ *Dear, Family even thou I can't be there with you now I am I spirit I remember Mark since he was 3yrs old. We spent almost everyday together until Uncle Frank moved them to MD I missed him then, but our Nanie always made them come back to Jersey for the holidays and the summer, so Mark and I grew up like brother and sister. We got into trouble together like siblings often do. As an adult Mark and Maryhelen always were the best family you could have even if a few years went by, I was always welcomed with open arms like no time had passed. I will always cherish all the memories I have, Mark will be sorely missed. All my love Maryhelen Eliot and Alison*
