

Ms. Marlene Annette Jones

June 22, 1945 - October 13, 2024

Marlene, Lovingly known as Aunt Mar cherished her many nieces and nephews. She especially enjoyed attending family gatherings where she was a central figure and a “force to be reckoned with”. Her nieces and nephews adored their Aunt Mar and will forever miss her warmth and humor.

During her 8 year journey on dialysis Marlene was lovingly cared for by her longtime companion Stanley Samet and her cousin Patricia Hamilton. Throughout her entire treatment, she spread joy and made everyone laugh, and showed remarkable strength.

Marlene was predeceased by her brothers Thomas and wife Maureen, brother Raymond, and twin brother Melvin and will reunite in heaven with them as well as her Mother Stella and Father Edward. Marlene was especially close with her sister’s In law, Lola Jones, Denise Jones, and believe it or not Marlene Jones and many grand nieces and nephews.

Marlene was one girl raised with four brothers and consequently commanded equality long before it became the norm. Having known her for seventy-five years and worked together to build a business. I can guarantee that to know her was to love her.

With Deepest Affection,

Brother Robert and Lola Jones

“ *Every Christmas at Maureen and Tom's we always looked for your entrance. Dressed in the latest fashion covered in packages to hand to all of the children. Always, always, always smiling and always giving a part of you to everyone. I have fond memories spending the night in Towson with Kathy. You will be sorely missed for you were well loved. Maureen*

“ *Mar, I loved you and being with you. From our childhood until the end, you led the way. You were smart, talented, and classy. You taught me things and showed me how to navigate life. You were generous to a fault. Shopping with you was an adventure. Up to the end, you did your best to help the economy! Lol. Your charities will miss you. Your family and friends will miss you. I miss you so much already. Love you Mar. Rest in peace. Cousin Patti *
