“ Mom, I couldn't remember the date of your death. Sorry... everything was so hectic at that time. I miss you the way you used to be, not the way you were when you were sick at my house. Since you have passed, my little (not really) boy (a great big Green Beret physician) has also joined you in Heaven. I hope you found him or he found you and Grand. I am old now and approaching time when I shall too pass. I hope to find you all. Please wait for me.
