VR

“ Our family has many fond memories of Trini beginning in 1992 with an 18 day trip all over Italy. Traveling with someone who speaks Italian is a blessing. One stop was to stay in the ancestral home where her mother was born in Mondavio, Italy. Attached are photos of us with her family. This was just the beginning of our trips with Trini. In later years we went to Bermuda, Australia, Central Europe and many times to Cohoes, NY where we stayed in the home of her birth and met her sisters Tillie, Palma and her nephews, Bob and Toni.
