“ I am just now learning of my dear Aunt Regina's passing. I knew something was wrong when I didn't receive her beloved Christmas card. Words cannot describe the lost I feel. She was such a kind and giving soul. She always called my Mom (Marian) to check on her and when my mom passed, she called to check on me. I will forever cherish her cards, kind words and the love she bestowed on me and my family. She was truly the matriarch of the Hewell family. My deepest sympathy to her children, grandchildren and family.

“ I will always be grateful for my trips up to Baltimore that my Grandparents would let me tag along on and get to see Aunt Regina. She was always positive and welcoming. I will miss her Christmas cards each year, she always thought of us. Even in her last years she remembered my daughter's birthday and would send a greeting card. Aunt Regina will be remembered forever as a loving and kind woman who will be greatly missed. God Bless you Aunt Regina! My deepest sympathy to her children and grandchildren. May the happy memories of Regina help get you through.

I worked with her at my very first job at Knothe in the early 1970s. She was very welcoming and friendly. I'm glad she had a long and happy life.

“ So sad to hear about Aunt Regina. There are a life time of memories from Pool Street. The luncheons, and gatherings, the back porch swing, fireworks and just being with family. She will be missed. Rest in peace Aunt Regina. Sending love and sympathy.

Aw So sad to hear about Aunt Regina's passing I have called her on occasion recently and asking her about how she was doing. Yes I did love the visits to her home with the back porch swing with fellow cousins spending wonderful moments with. She loved to wait on us as her guests and I liked sitting at her table with other aunts and family. Sending my love & sympathy to the family and RIP Aunt Regina.
