“ *Chickie was like a second mother to me. She has always been there for me and my family. She had a soft spot for all the little children with health problems. She always wanted to donate money to those organizations that help the children. She was one of a kind and I was blessed to have her in my life.*

“ Sweet, kind, and big-hearted; with a touch of ornery, is how I remember my Aunt (through marriage), Mary " Chickie" Liberto. A serious Orioles' and Ravens' fan, Chickie would light up when her teams did well. Among her signature expressions were such phrases as "ready for Freddy," "what of it," and "I'm gonna bop you." Chickie you will truly be missed.
