“ Penny & I worked together for many years. We had a lot of good conversations, mainly about family. She was all about family. Her girls & Bob were her world. I know how hard it's going to be without her, but, she will forever live in all of our hearts. So many memories to look back on. Once you met her, you never forget her. Keep those memories close & she will remain close. My prayers go up for all of you during this time.

“ Bonnie and family, please accept my deepest sympathies in the passing of your mom. I remember meeting her at a wonderful celebration we shared with Kelly & Paul. We shared our meatball recipes. I am so very sorry. I will remember all in my prayers.

“ *I have known Penny for many years and worked with her for most of them. She was funny, kind and a hard worker. I know her family and friends will miss her greatly. I pray for comfort for everyone that had the good fortune of knowing Penny. God bless.*
