“ *After Michael and Emily were engaged, Matt and Elise took Michael, Emily, Brenda and I to dinner at the Johns Hopkins club to celebrate. Standing in the men’s room next to each other, doing some male bonding, I remarked that a father worries about what kind of man his daughter will marry. I told him that Michael was everything I could have hoped for in a son-in-law. Matt’s kindness and gentle manner will live on through Michael and the two wonderful grandchildren we all share. Matt, you lived it right. Your children all inherited a part of your personality and I am honored to have all of the Brennans as part of our extended family.*
