“ Hello Tom and Family,

The news of your Mother's passing was very deeply felt , as I remembered all the times we shared happy family events together from as far back as when I was 5. My mother and your Mom were like sisters. My Mom was a only child and Aunt Mimi was her kid-sister. Although the past later years were not happy ones because of the disagreement between the two, I know my Mom still misses talking to her and sharing memories only the two of them share. My mother's health has declined in the past few years. She has been bed ridden for 2 years and has been in a nursing home. Her memory isn't good anymore and she doesn't know present times, and believes she will get better and get up and go about as before. I can not inform her of your Moms passing, as it will take the remaining life out of her.

She still asks about her all the time. I want to keep her with happy memories.

Please accept my family's deep condolences. I want to thank your Mom and Dad for all the happy memories that I have of them.

My contact email is jscottg@yahoo.com Take care.

Best regards,

John Scott Gladden
