“ I remember our days at that after school program in middle school
We were such good friends all the days you helped me with
homework

“ I remember living in The Oaks and Michael would come and play
with my girls, his favorite was kissing tag, he would always have
Allison running and screaming for help. He was always polite. Even
years later if I ran into him he a was always polite. I could see that
little boy who liked to play kissing tag. Rest in Peace Mike, God
Bless you.

“ Oh my I am so sorry to hear about Michael's passing! I share my
sorrow with the girls and Tammy & Gilbert. I remember a time, out
of school, during the Christmas parade in Hampden, when Michael
saw me from across the street...he made a point of coming over to
see me and say hello....to his 4th grade teacher....I also remember
how excited and proud he was when he finished a program at the
Villa and invited me to his "graduation" ceremony...again in 4 th
grade!! That's the Michael I will remember.....a small boy trying to
find his way....looking out for the underdog and offering help to his
St in God's teacher!
Rest in God's peace and in the arms of the Angels!
