“ *Dearest Stanka Family,  
We just returned from holiday and were so sorry to have missed service for Michael. We cannot truly express our heartfelt sympathy and prayers to Katherine and children, Judy, Barbara and families. We have know Judy, Michael, and Barbara since their early teen years and it so hard to understand the loss of one you we have watched grow up. We are sending our prayers and love to the entire family that you find peace at this time and know, kind and gentle , Michael is at peace and in the loving arms of our Lord.*

“ *Just returned home and was very sad to hear of Michaels' passing. I had the pleasure of working with Michael for a couple of years at APG. Our office was constantly being shifted around to various places and Michael graciously handled much of the contract paperwork for the moves and renovations. Michael made sure we had a a very nice kitchen on the last move to Bldg 4117. The first Mondays of the month was a working breakfast and many toasted bagels were shared with the team. Tom B*

“ *I am so very sorry to hear of Michael's passing. The world and certainly Holy Trinity were better places because of him. May his Holy Spirit Rest In Peace with those of his wonderful parents. Prayers, love and strength to all at this time in the days to come. Memory Eternal.*
