“ Oh "Skip" I am going to miss you man. From our first days at St. Pat's we were friends, school plays, our trouble with the Nun's, us both having my Mom as our fifth grade teacher. Great memories. On to High School at St Joe. Working at "Union Distributing," Rock Concerts and countless weekends at the shore house. We met our mates moved away and raised our families. I was so happy and surprised when you showed up to celebrate my wedding with Kris. You were always generous, loving giving and funny. I will look up to the heavens and keep you in my thoughts and prayers. Keep an eye on me too. OK?

“ I came to know "Skip" when we were both little kids at Mrs. Frances's Kindergarten on Broadway; as I've often told others--Skip was my "first kiss". In kindergarten on Valentine's Day he gave me a box of chocolates with a doll on top; of course Ms. Frances made sure that I thanked him with a kiss in front of the class!! We went through the next 8 years in the same class attending St. Patrick's. It was then in the 8th grade that I had "my first date" with Skip, he took me to see The Beach Boys at concert at the Civic Center downtown; I remember my Mom being upset because Skip had told my Mom that his sister would be chapparoning us, of which he told a little lie!!! lol. I remember playing with him in the neighborhood, us living diagonally across from each other; him growing up on Fleet St, his parents owned Union Distributing and I growing up on Washington St. next door to Ostrowski's Polish Sausage. I remember many a care-free summer day playing with him and a few of our other fellow class-mates-- Deborah Wheat-Freddy Brenner and Robert Lukowski, days that I will always treasure, because in those days neighborhoods were neighborhoods, everyone knew everyone, and the neighborhood friends often became life-long friends! Just want to say--Rest easy my friend, thank you for the Childhood Memories, Hope to meet again One Day! Kathy{Weldon} Mahala
