“ I am so sorry to hear of the passing of Min Huey and want to send my condolences to the whole family. I will always remember, at 15 years old, the trip he was part of to New York to Radio City Music Hall and to see Willie Mays play a baseball game for being part of the 1955 National Championship duckpin bowling team. We remained friends during our years at the University of Maryland, while he worked and managed the Golden Dragon Restaurant, and even afterward. Please accept this expression of sympathy for your loss, and know that my thoughts are with you.
