“ I have been a part of Ascension Friday Bible Study that comes once a month to Blakehurst. It was always a joy when Muriel was able to attend. If Marian (Briscuso) was not able to attend either I or Jean would get her from her room so she could be there for Bible Study. Muriel has always been a very special lady to me.

While sheltering in place, I came across an old address book and found Mrs. Trusheim's address on North Charles. So sorry to learn she has passed. Mrs. Trusheim patiently trained and mentored me when I became the chemist at the Salisbury Branch Lab.
