

Narendra N. Persaud

July 15, 1943 - October 19, 2025

In Loving Memory of Narendra Nauth Panday It is with profound sorrow that we announce the passing of Narendra Nauth Panday, a cherished husband, devoted father, adored grandfather, loving brother and uncle, and dear friend. He departed this life peacefully October 19, 2025 in his home surrounded by his loving family, who were the center of his world.

Born in Port Mourant, Guyana to Deen Raggy Persaud and Ram Nandan Persaud. Nauth was a man of quiet strength and steady determination. In 1970, he journeyed to Washington D.C. alongside his wife Gloria. Together they built a legacy grounded in love, integrity, and unwavering dedication to family.

Nauth was a man who believed deeply in the power of education and perseverance. His proudest joy was witnessing the achievements of his children and grandchildren, each milestone a reflection of the values he instilled. He celebrated their accomplishments not with fanfare, but with a quiet, knowing smile that spoke volumes.

A dedicated civil servant, Narendra spent his professional life working as a civil engineer for the State of Maryland.

Those who knew Nauth will remember him as a man of few words but

profound wisdom. His dry wit, gentle humor, and insightful perspective left a lasting impression on all who crossed his path. He found joy in simple pleasures — a good biography, Sunday football, or spending time with his grandkids.

Nauth leaves behind a legacy of charity, kindness, and enduring values. Though he is no longer with us in body, his spirit lives on in the lives he shaped and the hearts he touched.

May his soul find peace and eternal rest.

“ I am Rajin Fedda, from 70 Village, in Canada, the second cousin to Nath. I went to high school with his brotherinlaw Hazare Brijbasi(Bruce). Nath was in UK returned back to Guyana, at this time I get to know him well and on week ends myself ,him and rabbi Panday, his mother Auntie syria cousin would catch up. He was such a peaceful man, smiling at anything. As I am typing here, I am very sad, because since he went to USA we did not meet, but we spoke on the phone not often. When you are educated you become busy with many undertakings, hence, you lose frequent conversations, meetings etc with relatives and friends which money cannot buy. You feel very touched when you hear they passed.

I recalled a conversation with his mom, my self and Him. For some reason his mom mentioned ,Tula and Mula, he said to his mom, that she should not mention that name in front of me, that my "mouth burst", because I am going to tell everybody. That is Mosee Syria will call her son Toolsie ,Tula, and her son Moorely, Mula.

When he was courting Glory, I said to him is that the only girl you see. He said that Glory is his Laksmi, my angel, that is why non girl dont want me.

When he got married, he got ready from the Panday house at 70 Village. He wore a tie and shirt from his brother Muni who came from UK, and his cousin Pandit Bhai, was his priest. I said to him , that he should have prepared to dress properly. He said Lakshmi dont care ho you dress, as long as you are sincere. And he light up his cigarette.

I remember, his mom was living in an apartment in Toronto, myself and Rabbi uses to see her often and she would want me to take my mother wirh me also. The phone rang and it was nath and she said, "I lose Vernon, but I have 2 more Vernon," referring to Rabbi and myself.

My dear brothers Vidya, Sanand, Toolsie, Moorley, Dushanta, Mansu, and utra the sister in UK, Glory, the kids, all relatives and friends, It is sad to lose Nath a man of such unique, peaceful personality, but we must be strong, ask god for faith, he is doing his job. “ *My younger and cherished brother, Narendra Nauth, passed away after a long and accomplished life. He was a quiet, considerate, and generous person throughout his life .*

With a heavy heart, we send our deepest sympathy and condolences to Gloria, his beloved and highly supportive wife, their children (Vijaya, Sabita, and Ren), and grandchildren.

From childhood Nauth was a bright student and he saw the importance of schooling which our parents had instilled in us. Nauth studied in London, England and in the USA. He became a professional civil engineer and worked for the State of Maryland.

Nauth emphasized the value of education for his children and grandchildren. Their success and accomplishments brought him great satisfaction. Nauth was totally devoted to his family. May his soul rest in peace.

“ *Mr. Persaud's Family and Friends,*

It is with great sadness that I acknowledge the passing of Mr. Persaud, a truly respectable and kind individual. I distinctly recall when my eldest daughter selected Morgan University; I asked Mr. and Mrs. Persaud if they would serve as an emergency contact for her, and they graciously agreed without hesitation.

Our thoughts and prayers are with you all during this difficult time.
