“ I had the pleasure of meeting John 15 years ago and always enjoyed being in his company. He was a warm and pleasant person to be around, his smile and friendliness made you feel like family. I will miss our phone calls, called John every day when he first became ill hoping to lift his spirits, he was always positive. Prayers for the family you now have John guiding you from his very high perch in the Heavens.

“ I am so sad about the passing of my dear friend, Nick. I have known him since we have been kids and he has always been there for me and many other friends with a big heart and smile. I am so blessed and happy that I attended a luncheon a couple of months ago that Nick took the time to set up. I was also looking forward to Nick setting up more luncheons and reminiscing about our families and the past. Nick will always hold a special place in my heart.

*Our thoughts and prayers are with the family during this difficult time. May his memory be eternal.*

*With deepest sympathies,*
