“ *I have know Liv for 31 years, we worked together, I watched her children, and Allison watched mine. I was there when she brought home little Andrew just as tiny as he could be. I was there for the marriage of her first child. Just does not seem fair my friend. But I will always treasure the time we spent together laughing til our cheeks hurt. Until we meet again I promise to watch over your family. Love you my dear sweet Liv.*
