“ All the guys from Third Thursday express our condolences to Bob and the rest of the Noble family. Pam was a wonderful person and I am sure she will be sorely missed by all of you. Can remember those amazing “Game” dinners which were held after Bob returned home from hunting.....Sorry I couldn't join you today but trying to stay healthy and safe....all the best...Pete Lally

“ I have had the pleasure of knowing Pam since 1964 when we started at Mercy Hospital School of Nursing. After graduation and then marriages, we went our separate ways but always managed to reconnect at least once a year for Alumnae Day and it would seem as if no time had passed at all. I will never forget her laugh! Gone too soon. She will be missed so much especially on those Sundays in May!

“ Goodbye Dear Friend! Growing up together from grade school, high school, weddings, babies, family times and private times. Pamela you filled my life with friendship, wisdom, giving and kindness. We solved many problems and we celebrated our special times together. The Dear Lord has picked you for a reason, though it breaks my heart.

Shine on my friend. I know you are looking down and protecting those who love you.

My love to Barb, Chris, Laurie, Christi, Rob and Dan and Bob. Pam has led the way for you all. To all those beautiful grandchildren, you were her shining stars!

My Love and deepest sympathy, PEGGY Judge Krug

“ Pam was a member of our group which we dubbed the “walking ladies”and eventually changed it to the eating ladies. Our groups friendships go back 30plus years and spanned the time our children were young until we became grandmothers. We did a lot of laughing together , crying together , and celebrating each other. We were last together at an outside coffee at my home in early June. We are blessed with beautiful memories of walks, breakfasts,birthdays, Christmas’s and love for one another. Pam is the first to break our circle. Her memory will live in each of us until we meet again. You will be missed Pam Noble.

I was one of several people who got to know Pam during he heard Bob worked with us at. Catonsville Communiy College. Some of my fondest memories are the summer pool parties she and Bob hosted. I remember her gracious hosting, the laughter, the kids jumping forever, and the great food. It was always the summers best party. And the quiet time at the end of the night-my family was often among the last to leave-sitting quietly with Pam and Bob, revisiting. And later, as our lives took us in separate ways, periodically getting together, her twinkling eyes, gracious smile, and her full report on her kids she loved so very much.

I am shocked by news of her death. She was a most gracious, loving person.
