“*Patricia Hackett was my Aunt Pat, married to Jack who was my father James P Hackett's eldest brother. I lost track of Pat after Jack died. I am so sorry for that as she was a very kind and loving person. Jack died too early from a heart attack. I remember them well from visiting with my grandmother (Jacks mother) Delia Hackett in Rumson NJ. They didn't often get up to NJ from Maryland. I recall visiting them once in their home in Baltimore (my first and only time there). I am thrilled to know she had a long and lovely 94 years of life. She never reached back out to me or anyone in our immediate family... a regret that I carry. To her family whom I never met, Peace be with all of you Kathleen Mary Hackett (Floryan).*
