

Ms. Patricia Ann Watson-Geiger

July 14, 1956 - September 15, 2025

Patti's story was one of love, laughter and showing up for people. If you were lucky enough to know her, you knew that she didn't just walk into your life, she planted herself right in the middle of it and made it better.

Above all else, she was a mother first to Jason, Courtney and her late son Ryan Watson, whose memory she carried in her heart every day. She loved her children with all her heart. Becoming a "Nana" was the truest reflection of who she was. She absolutely adored her grandchildren. Mason, Cole, Brighley, Charlie and Burke.

Her love didn't stop there. She was a caretaker, a second mom, a daughter and even a sister to so many.

Her smile could light up a room, and her laugh was infectious. Patti never met a stranger. She met people and turned them into family. She treasured her friends, from her lifelong to her most recent. Patti kept everyone together and made sure everyone felt loved.

Her love for her dogs, and truly her love for all dogs was unmatched. If you would like to honor Patti. In Lieu of flowers, those wishing to honor her memory are encouraged to do what she loved most, which was to save a dog, or support your local animal rescue or BARCS. That's where her spirit lives,

where love is needed most.

“ I’m saddened by the huge loss of a woman who was so widely loved. She was known to me as Courtney’s mom and she opened her home to me on many occasions. Some of our best pictures were taken w her behind the camera. I know Ryan greeted her w a big hug when she arrived in Heaven. I pray for peace and understanding, for the family & friends struggling to understand why. Rest easy momma 💜 hope to see you in paradise one day 💜

“ To Courtney and Jason,

I've known Patty a long time... she worked with my Redsey at the Towne Tavern. Redsey always referred to her as "Patty Poo Poo". I say that with such a smile on my face as I know Redsey welcomed her with open arms. Those two are back together, tending the biggest bar in the sky. She and Redsey loved life and will continue to guide us through these days, months and years making sure we are well taken care of. May she and Ryan watch over and comfort you and your kids as Redsey has done for me these past years. Keep smiling Patty Poo Poo, we love and miss you so very very much!

“ *I hired Patty to work at the Towson Elks many years ago. She was a good bartender and an even better friend. Even though I moved out of the area we kept in touch. She loved life, her family, and always had a smile. I will miss her greatly.*

“ *I had the absolute pleasure of working with Patti at several Towson bars and restaurants, including the Towson Elk Lodge. She had an awesome ability to connect with patrons and turn them into friends in a heartbeat. She was a true industry professional who put everyone at ease, even during hectic service periods. She was fun, kind, and full of life. She will certainly be missed. So sorry to hear of her passing. Our condolences to her children, grandchildren, and other surviving family.*
