Sandy, Our thoughts and prayers are with you and your wonderful family in this difficult time. The loss of a mother is a significant marker in all our lives, no matter the circumstances. She is at peace and you have a lifetime of memories. You were a wonderful daughter, we know. Now peace be with all of you.

I am late to see this sad news of the loss of your mother. So many fond memories of your family flood my mind. I pray you are making peace these three years since you mother's death. One memory involves all the amazing things of canvassing , signing up and registeting voters. Mounting primary campaigns, then getting the vote out on election day in Manhattan's 20th Congressional district of the 1950's & 60's. Proud to know your family and the great respect toward my parents- particularly my Mom Eleanor. Sincerely, Katharine Nagle
