“ Hi Sally & Family,  
I'll never forget some of the wild & crazy times we had in our teen years double dating.  
Denny always had the hot car (usually a convertible) and we really did some dumb things, I'm surprised we lived through some of them. I think he still hold the time record from OC to Baltimore, I can't remember exactly but I'm sure it was under two hours.  
Our heartfelt condolences to you and your family, I'm sorry we are not around to be of more help and comfort.  
Love ,
