“ Our condolences go out to the entire Gordon family. He really enjoyed sharing his experiences about his many hunting trips on his farm in PA. My fondest memory of Mr. Gordon was a day spent with him fishing on the Chesapeake Bay. We caught plenty of fish that day. I can distinctly remember the smile on his face when he was reeling in the fish. A day that I will always remember.

He was a humble man that loved his family and always respected others. May he rest in peace. We will miss him. May his memory be eternal.
