“ I was so saddened when I learned of Renee's death, only recently. I remember her as fun-loving , high-spirited, and good friend to my daughter, Jackie.

My sincerest condolences to her mother, Barbara, her father, Gene, and her brother, Marco.

Rest in peace, now, Renee, you will be missed by those who loved you!

“ I don't remember Renee, but know that our paths had to have crossed many times through the narrow halls of Mercy High School. Our eyes may have met during our Field Day events and musical concerts. I was of the Class of '81. It saddens me to know that she, who once was a little freshman to our senior class, has departed. Know that only God can mend your broken hearts.

Praying for all of her loved ones,
