“ *Griff, man, did we have fun back in the old days! WTBA hoops, ping-pong in the basement, bball at the Y, Ernie and Bernie, buzzing around in the MG. You were truly a good friend. Sorry I lost track of you - my sincere regret.*

“ *Griff,
Mid court is empty with your passing. You were always there for a game and a lay up. Another WTBA member of long standing has moved on. You will surely be missed by the remaining Alumni of the courts. You are now a long jump shot away from the action.
