“ Kathleen: I am so sorry if Rick's passing! From coaching my brother in high school, to working together at the pharmacy he was an amazing person! Always smiling! Passionate about the things in life he loved. My heart aches for you and your family! Thinking of you!

“ Rick was a special guy. He was my Coach not only in basketball but also in life. I was fortunate enough to play for him and head coach Dick Girardi’s 1980 St Pius 8th Grade Northeast Catholic League Championship team. It sounds like a small 8th Grade team that doesn’t matter. But Rick and Coach Girardi put every ounce of effort into us that they could. I remember it to this day. My only regret was not being able to play for Rick again on another team. He was an example to me and my teammates in the power of positive mental attitude. What a gift he was to all of us. I grew up, got married, moved away, married and raised 4 beautiful kids in CT. I coached youth lacrosse and tried my best to coach with the same positive attitude (albeit not as well as Rick). And I once, while traveling to Baltimore for a business meeting, met him for breakfast. We talked for a long time. It was like old times. I will never forget this wonderful man. He was an example to all of us on the power of positivity. May God bless him and his family. And may I see him in heaven someday.
