“ I KEEP TRYING to put into words, just how I feel about the LOSS of such an INCREDIBLE, WONDERFUL, KIND, SMART, SENSIBLE, CARING, THOUGHTFUL PERSON and DOCTOR Richard Lang was. From birth, Dr. Lang took INCREDIBLE CARE of my children. My daughter now 48, and my son 43, had the BEST CARE of ANYONE I KNOW.

Dr. Lang made you feel like FAMILY, the way he treated and cared FOR and ABOUT his patients. My daughter had a SERIOUS AILMENT at 9 years old. Dr Lang, would CALL OUR HOME , inquiring as to how she was. MORE THAN ONCE. He worked tirelessly until it was found out what the problem was.

I'm SO SO SAD THAT Dr. Lang IS NOT HERE ANYMORE. 😞 it's a TERRIBLE LOSS to EVERYONE. God bless Caroline and their beautiful children and their families. Our DEEPEST SYMPATHIES. MY FAMILY was SO sad to hear of such a terrible loss. It hurts my heart. I KNOW GOD IS PLEASED to have such a good and perfect human with him. And we WILL ALL BE TOGETHER AGAIN.

I look at my children, and thank Dr Lang for helping my husband and I to bring up 2 wonderful, beautiful, HEALTHY CHILDREN that respected and loved their doctor, as much as their parents.

Love and thank you, Dr. Richard Lang and family, for making OUR LIVES SOOO MUCH BETTER. We will NEVER FORGET YOU. XO

“ Dear Mercy... Dr Lang. I remember seeing you at your old office in those stunning homes in Towson, walls lined with Norman Rockwell art, toys in what was an old living room, and a voice like James Earl Jones.

Common sense medicine in a time where common sense was being eviscerated. One of the absolute best ever.

“ Dr Lang was my doctor from 1967 until 1980. He was a compassionate man. His quiet calming demeanor made my visits easier. He helped me with not only medical issues but emotional issues. He stood up for me as a child when he wrote a letter to my Dad on my behalf after a traumatic visit from my Dad who lived out of state. He was positive male influence for me which was important to me since my Dad left the state when I was seven. Thank you Dr Lang for caring. Neil Brown

“ Dr. Lang was my first and only pediatrician to my sons Michael and Matthew Myers until his retirement @ Pediatric Partners. He was the absolute best doc for a new mother 29 yrs ago with 2 toddlers. He gave superlative medical care and, the best booster shots as my boys never saw them coming or felt his needles. He even treated me once when I had the flu.

Although I haven't seen him for years my family had a special bond with Dr. Lang. We have great memories. We were even invited to his retirement party at the office in Bel Air. We love you Dr. Lang.
