“ Today I get to celebrate the life of a good friend and co-worker. Dick Pepersack was not only a great mentor but more importantly a good friend. He lived the meaning of living life to the fullest and family first and he will always be a true friend. I know that his wife Harriet, his children and grandchildren feel the love and respect that he so freely gave and he so freely shared with his friends as well. God Bless Dick..... your friend Ron

“ Dick was a good friend. He was my macintosh guru. He had the kindest way of teaching I ever knew. I went on to train people on the mac in the graphic arts industry, and taught with the same timber I learned from Dick. I will miss him. Jere Stermer
