“ *There are many happy memories we have of Rita...especially when she and Ric were here in Tennessee. She loved to go to Cherokee and we did so several times. She loved the mountains as well. She loved life. We went to see her 16 years ago in Baltimore after her throat operation and thought this might be our last visit with her. Not so. She used her Servox as a real voice tool and sometimes as a "weapon" when Ric didn't hop right to her service. Thank heavens that heavens is now a better place because she is there. We loved her dearly as did everyone who met her. She will be missed. Our love to her family.*
