

## Mr. Robert J. Dusel

May 1, 1952 - June 27, 2023

Robert J Dusel, born May 1, 1952, in Pennsauken, New Jersey, passed away on June 27, 2023. A man of deep loyalty and quiet strength, Bob devoted his life to providing for his family, caring for his pets, and mastering the evolving field of data management.

Son of Bette (Brennan) Dusel and John W. Dusel, Bob grew up in Pennsauken, New Jersey with his five sisters - Arlene, Nancy, BettyAnn, Carol and Marie. After graduating from Pennsauken High School in 1970, he went on to study at Lebanon Valley College. Here he played lacrosse and was a proud member of Kappa Lambda Sigma. Upon graduating with a degree in psychology, he began his career at Shepherd Pratt hospital where met his wife, Linda (Beard). Bob eventually transitioned to data management, marking the start of a long, successful career which included time at USF&G, Alex. Brown & Sons and Leidos.

However, it was outside the professional sphere where Bob truly thrived. He was a devoted father and grandfather, cherishing every moment spent with his children and his grandchildren. His love extended to his dogs, with whom he shared many peaceful walks in his favorite woodland area. Despite his private nature, Bob was always there for those who needed him.

Bob was a dreamer, with his mind always on the future. He was also the world's most organized hoarder, whose habits of hanging onto every memorable item turned his home into a museum dedicated to his, his children's, and his grandchildren's accomplishments, favorite memories, and the love they shared.

Bob will be remembered as a stalwart provider, a trusted confidant, and a man of steadfast loyalty and deep love for his family. His legacy will continue in the hearts of those he left behind.

He is survived by his wife of 47 years, Linda, his children Brendon and Jennifer, and his grandchildren Ethan, Henry, Charlie, Oliver, and Penny. Bob's ashes will be privately

scattered by his favorite walking path.
