“ *Can proudly share that I was a classmate of Bob at Loyola Blakefield. Bob was highly intelligent, exhibited an even temperament and was a voice of reason among our fellow Dons.*

Can genuinely proclaim that Bob Kyle was "A man for others" as per infamous creed of St. Ignatius Loyola.

Bob was humble yet always eager to help a fellow Don classmate.

Bob's Faith was highly evident in how he carried himself at Blakefield and in extra curricular activities we participated in.

It's been years since we last spoke, yet I am fortunate to have studied with Bob at Loyola and enjoyed his kindness and friendship.
